GRA280L : Graphic Design Capstone

This course is intended to provide the vehicle for students to show overall competency and skills in Graphic Design Technologies, which have been a part of their degree program. Under supervision of a faculty advisor, the student will select an appropriate project, plan, and perform the necessary tasks, and present the results. It is expected the student will create a professional portfolio with the objective of obtaining either a professional position in the field, or admission into a 4-year institution.
