

# Student Success Center

The Student Success Center is available to all students and offers a full range of academic and support services to enhance the educational opportunities for all students by giving them the tools to foster independent learning

The Student Success Center provides training in organizational and study skills, note taking, career planning and time budgeting. Tutoring is offered in most subject areas. Students who need academic support or who want to advance more rapidly in an academic area may contact the Student Success Center at (603) 524-3207. Staff members will assist in meeting the individual student needs. Staff will also work with faculty for additional support or conferencing.

Student support counselors provide general support, including course registration, referral to outside agencies and mental health referrals to all students. Counselors are available Monday through Friday and are located in the Student Success Center (Turner 119). These services are offered free to students with the aim of assisting students in successfully meeting academic and/or professional goals.

LRCC collaborates with [Lakes Region Mental Health](#) to provide mental health services to our students. A licensed clinical therapist provides limited counseling hours on campus. Please contact the support counselors for appointments. Students needing longer-term support will be referred to service providers in their local area. All counseling provided by LRMH is confidential.
