ARTS212L : Introduction to Digital Photography

This course is designed for students with minimal experience in photography. Students will learn the basics of photographic techniques, both technical and artistic. Lighting, camera settings, simple Photoshop processes, and composition will be covered, as well as moving images from the camera to computer, printer, web, or presentation. Students must provide their own camera with minimum requirements: point and shoot camera or equivalent, built-in flash, zoom lens, different scene modes, and 2-4g memory card. Optional equipment: tripod.
