

BUS280L : Cooperative Education/Internship II

This course is designed to allow students to continue an existing cooperative education/internship. It will combine classroom theory with practical application through job-related experiences. Students are actively working in an organization with a focus which relates to their academic training and career objectives. This course may be taken as a second, non-related cooperative education experience only with Department Chair approval.

Credits 3

Lab Hours 0

Class Hours 3

Prerequisites

Permission of Department Chair
