

Enrollment Status

Enrollment Status refers to the number of credits a student takes during a semester and determines financial aid awards. Credits awarded for transfer, work experience, audits and challenge exams do not count toward determination of full-time status. It is important to know; full-time status is the equivalent of 12 or more credit hours.

Full-time: Twelve (12) or more credits, or registered for ASEP or Toyota T-Ten Cooperative Education

Three-quarter time: Nine (9) – Eleven (11) credits

Half time: Six (6) – Eight (8) credits

Less than half time: One (1) – Five (5) credits

A student must register for twelve (12) or more credit hours to qualify for full-time status for financial aid, veteran's benefits, etc.
