

Laboratory/Clinic/Practicum

A fee will be charged for laboratory/clinic/practicum or other similar experiences. This fee will be calculated by subtracting the number of class hours from the number of credit hours and multiplying the remainder by \$110 for each course. This fee will be added to the normal tuition charge for that course. This fee will be charged to all students with no exceptions. Fees will not be charged for co-ops and internships.

<i>Example:</i>	CL	LAB	CR	
BIOL145L Anatomy & Physiology I	3	2	4	$4 - 3 = 1 \times 110 = \$110$
