

Payment of Tuition

Payment or arrangements for payment is required of all semester charges 14 calendar days prior to the start of the semester. Failure to make payment in full or arrangements for payment 14 days prior to the start of the semester may result in the cancellation of the student's registration. Students will then need to re-register and make payment or arrangements for payment providing that the course(s) have space available. Each semester/session of the academic year, including summer sessions, is billed separately and tuition is based on a per credit charge. Students enrolled in 12 credits or more are considered full-time students. Credits earned during co-op work experience are college credits for which there are tuition fee charges payable by the student. It is the responsibility of the student to report all scholarships received to the Bursar's Office.

Students must log into the Student Information System (SIS) to receive/view bill.
