

Registration

The Registrar's Office, the Financial Aid Office and the Bursar's Office coordinate the registration process, which includes registering for courses, completion of financial aid forms and payment of college tuition and fees. Matriculated students must have advisor approval before registering for any course. Non-matriculated students may register for courses if prerequisites are met, or the student receives instructor approval. Current students must register using Navigate or the Student Information System (SIS)

Students should understand that by registering for courses at Lakes Region Community College, they are financially obligated for all costs related to the registered course(s). Upon a drop or withdrawal after the refund period, it is understood the student will be responsible for all charges as noted in the student catalog and handbook. If they do not make payment in full, it is understood their account may be reported to the credit bureau and/or turned over to an outside collection agency. It is also understood they will be responsible for the costs of the outside collection agency and/or any legal fees and bounced check fees under RSA 6:11 which may add a significant cost to their existing account balance.
